includes material on interpretation methods and presentation of research

just about everyone is familiar with folk and fairy tales children learn about them from parents teachers and other adults while researchers study these tales at colleges and universities at the same time folk and fairy tales are inseparable from everyday life and popular culture movies music art and literature offer

imaginative retellings and interpretations of fairy and folk tales but despite the pervasiveness of this folklore type most people have only a vague understanding of these tales this reference is a convenient introduction to folk and fairy tales for students and general readers written by a leading authority this handbook offers a broad examination of folk and fairy tales as a folklore type it looks at tales from around the world and from diverse cultures the volume defines and classifies folk and fairy tales and analyzes a number of examples it studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre the volume also includes a glossary and extensive list of works for further reading

excerpt from the handbook of folklore in 1884 and 1885 some discussion took place in the pages of the folklore journal in vols ii and iii on the definition of folklore and its aims and the result was that a strong feeling which had been gradually growing up unexpressed was at once shown to exist on the importance of the society issuing some sort of guide for collectors and workers on folklore some of the papers contributed to the journal were of use to collectors even in the form in which they there appeared and mr stewart lockhart had them translated into chinese and widely distributed in china with some good results at that time i had partly prepared an elementary introduction to the science of folklore and upon this becoming known to the council they passed the following resolution 12th january 1887 that mr gomme be requested to print his ms of the proposed handbook of folklore and that proofs of the several sections be sent to the members of the council for correction addition or revision about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from the handbook of folklore it soon became apparent to me however that my ms as it stood would not answer properly the purposes of the society and as the council had done me the honour of accept ing my classification of the subjects of which folklore is composed and the definitions of the about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing

imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from the handbook of folklore society edition this book is not written for the use of members of anthropological expeditions whose work demands far more thorough acquaintance with the subject than could possibly be conveyed in a single volume it is addressed to officers of the public services to missionaries travellers settlers and others whose lot is cast among uncivilized or half civilized populations abroad to residents in country places at home to medical men philanthropic workers and all educated persons whose lives and duties bring them into touch with the uneducated such persons have it in their power to contribute very greatly to the advance of an important study the value of which is as yet hardly fully appreciated and it is believed that they will be willing to do so if only the way is pointed out to them to do this is the aim of the handbook of folklore the genesis of the book is somewhat complicated the scheme of classification devised by sir laurence gomme for the original edition of 1890 has been retained with only such modifications of detail as experience and extended knowledge have shown to be desirable that its retention should have been found possible in spite of the great development of the study during the last quarter of a century is no small testimony to the prescience of its author beyond this a few passages here and there and the list of types of indo european folk tales represent all that has been preserved from the first edition the earlier chapters are founded on a manuscript which mr e sidney hartland began some years ago with a view to a new edition but which for various reasons was never completed about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this is a new release of the original 1914 edition
