this book takes stock of the development of eu criminal law from the establishment of the
ecsc to the first european union criminal law directives passed after the lisbon treaty the
work considers criminal offences established at eu level the effects of eu law on national
criminalization the emerging body of eu criminal procedural law and the increasing

recognition of defense rights as eu rights limits to the legal effects of eu level rules require them to be examined in the light of member state practice implementing measures are not always appropriate and may balance interests under national law the rights of criminal defendants and the need for eu wide approximation the proliferation of eu criminal law has led to an explicit albeit underdeveloped eu criminal policy this book will be of particular interest to students and scholars of eu law and criminal law

this unique collection of essays celebrates the twentieth anniversary of the seminal journal the european journal of crime criminal law and criminal justice as well as the outstanding and uninterrupted work over that period of its founding editor in chief professor cyrille fijnaout the volume consists of a selection of some of the most ground breaking articles published over the past twenty years covering the three areas of focus of the journal problems of crime developments in criminal law and changes in criminal justice it thus explores such diverse issues as the problems of crime in central and eastern europe after the disappearance of the soviet union and the collapse of yugoslavia the allocation of criminal law power in the european union police cooperation in the border areas of the member states the criminalization of white collar crime the establishment of european police services and of a european public prosecutor s office new forms of criminal justice cooperation between the member states and many others the journal s unique multidisciplinary approach and its commitment to offer insights from a wide variety of european countries and language areas ensure that a varied range of perspectives are offered on the topics discussed the result is an enlightening and highly readable anthology shedding light on the extraordinary developments that have taken place in the area of crime and punishment in europe

a comparative and collaborative study of the foundational principles and concepts that underpin different domestic systems of criminal law

this book discusses the relation between morality and politics and morality and law a field that has been studied for more than two thousand years the law is a part of human culture and this touches upon a dynamic reality that is connected to the relation between nature and freedom nature and culture if such relations are not clearly understood as is the case today the relation between morality and law cannot be properly comprehended either the relationship between morality and criminal law must constantly evolve to meet the needs of changing times and circumstances social changes and new situations require new answers and since the relationship involves criminal law legal philosophy and legal history interdisciplinary approaches are always needed featuring fifteen original contributions by legal scholars from various european and american universities the book does not pretend to solve the complexity of the relation between morality and criminal law but instead expresses criticism offers some proposals and stimulates further thought the book tackles the topic from an interdisciplinary perspective criminal law constitutional law legal philosophy and legal history among others as such it appeals not only to scholars and students but also to lawyers policymakers historians theologians

philosophers and general readers who are interested in the legal social political and philosophical issues of our time

this volume addresses from a cross disciplinary perspective the multifarious relationship between globalisation on the one hand and criminal law and justice on the other hand

this book fills a significant gap in the english language literature and must be read by all who seek to understand why profound reflection is needed on the theoretical underpinnings of eu criminal justice samuli miettinen journal of common market studies the book contains a number of interesting arguments and comments on the development of eu criminal law the authors efforts to provide a generalist book in this ever growing increasingly important and still under researched field of eu law must be welcomed valsamis mitsilegas the edinburgh law review today eu criminal law and justice constitutes a significant body of law potentially affecting most aspects of criminal justice this book provides a comprehensive accessible yet analytically challenging account of the institutional and legal developments in this field to date it also includes full consideration of the prospective changes to eu criminal law contained in the recent lisbon treaty while broadly speaking the authors welcome the objectives of eu criminal law they call for a profound rethinking of how the good of criminal justice however defined is to be delivered to those living in the eu at present despite sometimes commendable initiatives from the institutions responsible the actual framing and implementation of the area of freedom security and justice afsj suffers from a failure to properly consider the theoretical implications of providing the good of criminal justice at the eu level written shortly before the recent entry into force of the lisbon treaty eu criminal law and justice comprises a full overview of the key legal developments and debates and includes a user friendly guide to the institutional changes contained in the treaty this timely book will be of interest to both undergraduate and postgraduate students as well as to legal practitioners and policy makers at national and eu levels
