in the eighty years since the museum of modern art was founded contemporary art has been completely transformed from a movement appreciated by a few to a cosmopolitan globe spanning multidisciplinary undertaking that permeates every corner of culture in the museum of modern art in this century moma director glenn d lowry explores that museum as a place instrumental in that revolution a place where art history is constantly revisited and the new is examined and embraced book jacket

today the museum of modern art is widely recognized for establishing the canon of modern art yet in its early years the museum considered modern art part of a still unfolding experiment in contemporary visual production by bracketing moma's early history from its later reputation this book explores the ways the museum acted as a laboratory to set an ambitious agenda for the exhibition of a multidisciplinary idea of modern art between its founding in 1929 and its 20th anniversary in 1949 moma created the first museum departments of architecture and design film and photography in the country marshaled modern art as a political tool and brought consumer culture into a versatile yet institutional context encompassing 14 essays that investigate the diversity of modern art this volume demonstrates how moma's programming shaped a version of modern art that was not elitist but fundamentally intertwined with all levels of cultural production

in this second volume albert boime continues his work on the social history of western art in the modern epoch this volume offers a major critique and revisionist interpretation of western european culture history and society from napoleon's seizure of power to 1815 boime argues that napoleon manipulated the production of images as well as information generally in order to maintain his political hegemony he examines the works of french painters such as jacques louis david and jean auguste dominique ingres to illustrate how the art of the time helped to further the emperor's propagandistic goals he also explores the work of contemporaneous english genre painters spain's francisco de goya the german romantics philipp otto runge and caspar david friedrich and the emergence of a national italian art heavily illustrated this volume is an invaluable social history of modern art during the napoleonic era stimulating and informative this volume will become a valuable resource for faculty and undergraduates r w liscombe choice

a fascinating examination of a formative time in the iconic artist's career in 1948 willem de kooning held his first solo exhibition at age forty four at the charles egan gallery in new york city willem de kooning the breakthrough years explores how the painter developed his distinctive style in the period leading up to the show blending figuration with abstraction and experimenting with materials such as enamel paint cardboard and masonite this beautifully illustrated book features illuminating essays by john elderfield and mitra abbaspour who closely consider de kooning's work during this time the environment and influences that surrounded him and the impact of the 1948 exhibition on both his career and the new york school lee colón's detailed chronology provides invaluable context for the exhibition while jim coddington and bart devolder's material study of black friday a painting included in the 1948 exhibition offers vital perspective on the painter's working methods featuring paintings and drawings made by the artist between 1945 and 1950 as well as important primary source material this book sheds critical light on a prolific and formative period in the life and career of an incomparable artist exhibition schedule princeton

in 1970 photography curator peter c bunnell organized an exhibition called photography into sculpture for the museum of modern art new york the project which brought together twenty three photographers and artists from the united states and canada was among the first exhibitions to recognize work that blurred the boundaries between photography and other mediums at once an exhibition catalogue after the fact an oral history and a critical reading of exhibitions and experimental photography during the 1960s and 1970s the photographic object 1970 proposes precedents for contemporary artists who continue to challenge traditional practices and categories mary statzer has gathered a range of diverse materials including contributions from bunnell eva respini and drew sawyer erin o toole lucy souter and rebecca morse as well as interviews with ellen brooks michael de courcy richard jackson jerry mcmillan and other of the exhibition's surviving artists featuring seventy nine illustrations most of them in color this volume is an essential resource on a groundbreaking exhibition

in 1957 the american artist robert motherwell made an unexpected claim i have only known two painting milieus well the parisian surrealists with whom i began painting seriously in new york in 1940 and the native movement that has come to be known as abstract expressionism but which genetically would have been more properly called abstract surrealism motherwells bold assertion that abstract expressionism was neither new nor local but born of a brief liaison between america and france verged on the controversial surrealists in new york tells the story of this liaison and the european exiles who bought surrealism with them an artistic exchange between the old world and the new centring on taciturn printmaker stanley william hayter and the legendary atelier 17 print studio he founded here artists experiments literally pushed the boundaries of modern art it was in hayters studio that jackson pollock found the balance of freedom and control that would culminate in his distinctive drip paintings the impact of max ernst andré masson louise bourgeois and other noted émigrés on the work of motherwell pollock mark rothko and the american avant garde has for too long been quietly written out of art history drawing on first hand documents interviews and archive materials charles darwent brings to life the events and personalities from this crucial encounter in so doing he reveals a fascinating new perspective on the history of the art of the twentieth century

what is the museum of modern art for some it is a cherished sanctuary for others an idea concretized through the art it has collected and exhibited and for others still an educational laboratory where challenging and difficult art is confronted measured and understood founded in 1929 in small temporary quarters at 730 fifth avenue and now housed in a

building that occupies almost half a city block at 11 west 53rd street the museum of modern art new york is on the cusp of a massive renovation and expansion that will see it into the 21st century the museum is a repository of masterpieces of modern and contemporary art 325 of the best of which are reproduced here accompanied by short incisive and intelligent texts amazon ca

modern art refers to the art created between the late nineteenth century and mid twentieth century and includes styles such as impressionism expressionism and fauvism it can be seen as the creative world s response to the rationalist practices and perspectives of the new lives and ideas provided by the technological advances of the industrial age this caused contemporary society to manifest itself in modern ways compared to the past artists created works to portray their experience of the novelty of modern life in inventive ways some of the prominent artists of modern art are vincent van gogh paul cézanne paul gauguin georges seurat and henri de toulouse lautrec these artists played an essential role in the development of modern art as they strived to express their views of the world around them using the visual medium modern art is characterized by the artists intent to portray a subject as it exists in the world based on his or her unique perspective and is typified by a rejection of accepted or traditional styles and values this book explores the important historical aspects of modern art and modernism researchers and students engaged in the study of modern art will be greatly assisted by it

overzicht van het meubilair van charles eames in de toenmalige collecties van het moma in new york

shedding fresh light on modern art beyond the west this text introduces readers to artists art movements debates and theoretical positions of the modern era that continue to shape contemporary art worldwide area histories of modern art are repositioned and interconnected towards a global art historiography provides a much needed corrective to the eurocentric historiography of modern art offering a more worldly and expanded view than any existing modern art survey brings together a selection of major essays and historical documents from a wide range of sources section introductions critical essays and documents provide the relevant contextual and historiographical material link the selections together and guide the reader through the key theoretical positions and debates offers a useful tool for students and scholars with little or no prior knowledge of non western modernisms includes many contrasting voices in its documents and essays encouraging reader response and lively classroom discussion includes a selection of major essays and historical documents addressing not only painting and sculpture but photography film and architecture as well
