en esta obra el autor nos guía a través de un análisis de las sagradas escrituras en esta ocasión el

autor se pregunta qué es lo que debe hacer cada persona para cumplir con la voluntad divina qué implicaciones tiene y cómo conseguir gracia delante de la mirada del creador en qué consiste su plan divino quiénes pueden considerarse elegidos por dios y qué puede hacerse para atender a ese llamado de salvación que viene de la misericordia de dios

el autor de este libro le ofrece al lector la oportunidad de vivir una experiencia espiritual de carácter mística y de aguda profundidad en medio del dolor y las dificultades causadas por la venganza de un ex socio colombiano por asuntos de su vida pasada los cuales lo llevan a una experiencia drástica y difícil tras las rejas de una cárcel en el estado de california estados unidos por espacio de 7 meses en un lenguaje sencillo nos invita a escuchar la voz del divino maestro dirigiéndose a su siervo en un momento de prueba y dolor

este es el tercer tomo de una experiencia que no termina si la vemos desde el vientre de lo que aconteció en lo espiritual pues cada instante de mi experiencia tras las rejas podría llamarlo como vivir caminando sobre el techo del infierno contemplando la experiencia de la salvación al otro lado de una puerta que cerrada con cadenas y candados me desafiaba a concebirla abierta un día invitándome a vivir la plenitud de una verdadera libertad para el lector que no haya leído los dos primeros tomos le comparto que esta experiencia a que me refiero aconteció tras las rejas en varios centros carcelarios del sur de california estados unidos todo lo que va a leer en este libro hace parte de una vida sobrenatural en medio de las circunstancias más naturales y sobretodo más absurdas el contenido de este libro hace parte de lo que la iglesia llama una revelación privada que no puede en ningún momento insinuarle al lector que sea un depósito de la fe o una verdad sobre la cual deba vivir por encima de las enseñanzas de la iglesia

the exhibition analyses the process through which devotion to the immaculate conception was created and popularised in early modern spain while the immaculate conception only became dogma in 1854 as early as 1616 the spanish monarchy became a staunch supporter of the theory turning its defence into a national priority in the following years the immaculate conception became spain s most heartfelt devotion and a sign of national identity art played an important role in this process amounting to what we may describe as a marketing campaign this will be the focus of the museo de bellas artes forthcoming exhibition featuring more than 50 paintings sculptures prints and books borrowed from notable spanish museums and churches such as the museo nacional de escultura de valladolid the cathedral of seville the biblioteca nacional de
