at long last a book length biography celebrates toni cade bambara a seminal literary cultural and political figure who was among the most widely read and frequently reviewed of the well regarded black women writers to emerge in the 1970s a joyous revolt toni cade bambara writer and activist is the first ever full length biography of a trailblazing artist who championed black women in her fiction as well as in her life this incisive study provides a comprehensive treatment of bambara s published and unpublished works and it also

documents her emerging vision of her role as an agent of change the biography allows readers into the personal life of Bambara offering personal insights into a woman with a strong public persona and friendships with other celebrated artists of her era perhaps most important for those seeking to understand and appreciate Bambara's legacy it connects her oeuvre to the context of her experience and places all of her wide ranging creative work in the context of her singular vision

from the Irish Cailleach and other shape shifters of folk legends to modern movie transformers from Ovid's *Metamorphoses* to the moment when Gregor Samsa woke up one morning to find himself transformed into an insect in Kafka's novella from conversion narratives to slave narratives turning points and transformations have always been central to literary works and to cultural developments in fact with Freytag's pyramid in mind one could claim that all literary works focus on the trope of a transformation born of a turning point because such moments comprise the very essence and vitality of human life and culture but why are turning points necessarily transformational and in what way and what brings about those turning points in language literature culture and human lives these are essentially the questions the essays in this volume seek to answer the contributors examine turning points and transformations personal literary and cultural brought about through the randomness of the universe as well as through human interference and discuss ways in which humans in general and writers in particular through their art experience and cope with the ineluctable results

in a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success but why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome what emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the reformation and the industrial revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the voyages of discovery and the scientific revolution what were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas he discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest

of Europe during the industrial revolution he examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition he questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity the lever of riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how western economies can maintain and developing nations can unlock their creative potential

in belonging to an oppressed colonized racial group in the west where their voices humanity history culture reality and subjectivity are perpetually under siege distorted and or erased African American writers since the 1960s have struggled to be heard and represented yet despite the racism terror trauma and dehumanization they in revisiting reclaiming and reassessing their history and culture used their decolonized imaginations and agency to reconfigure their history subjectivity and reality and to invoke a more humane and just world with love despite all the odds

Avery Gordon's first book *Ghostly Matters* was widely acclaimed as a work of striking sociological imagination and social theory *Keeping Good Time* her much anticipated second book brings together essays by Gordon that were written to be read aloud her eloquent voice in this book further establishes her place among literary sociological writers of a new generation *Keeping Good Time* will be of great interest to activists feminists sociologists students and everyone concerned about how to beat the odds in influencing the shape of social and culture change readers will find their thinking changed by the author's perennial quest to develop insights gained in confrontation with injustice

Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years *Reader's Companion to the Short Story in English* includes alphabetically arranged entries for 50 English language short story writers from around the world most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources the volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

American women writers have long been creating an extraordinarily diverse and vital body of fiction particularly in the decades since World War II recent authors have benefited from the

struggles of their predecessors who broke through barriers that denied women opportunities for self expression this reference highlights american women writers who continue to build upon the formerly male dominated canon included are alphabetically arranged entries for more than 60 american women writers of diverse ethnicity who wrote or published their most significant fiction after world war ii each entry is written by an expert contributor and includes 1 dba brief biography 1 dba discussion of major works and themes dba survey of the writer s critical reception 1 dba bibliography of primary and secondary sources

the post civil rights era was marked by an explosion of black political thought and aesthetics reflecting a shifting horizon of expectations around race relations the unconventional sounds of free jazz coupled with experimental literary creation nuanced the push toward racial equality and enriched the possibilities for aesthetic innovation within the black arts movement in *Imagine the Sound* Carter Mathes demonstrates how african american writers used sound to further artistic resistance within a rapidly transforming political and racial landscape while many have noted the oral and musical qualities of african american poetry from the post civil rights period Mathes points out how the political implications of dissonance vibration and resonance produced in essays short stories and novels animated the ongoing struggle for equality situating literary works by henry dumas larry neal and toni cade bambara in relation to the expansive ideas of sound proposed by free jazz musicians such as marion brown and sun ra not only does this book illustrate how the presence of sound can be heard and read as political but it recuperates critically neglected yet important writers and musicians ultimately Mathes details how attempts to capture and render sound through the medium of writing enable writers to envision alternate realities and resistance outside of the linear frameworks offered by the civil rights and black power movements in precise and elegant prose Mathes shows how in conceptualizing sound african american writers opened up the political imaginations of their readers by exploring this intellectual convergence of literary artistry experimental music and sound theory *Imagine the Sound* reveals how taking up radically new forms of expression allows us to speak to the complexities of race and political resistance

conversations with the author of the acclaimed works *Gorilla My Love* *The Salt Eaters* and *Those Bones Are Not My Child*

exploration of bambara s practices of liberation that encourage resistance to oppression and solidarity *Black People Are My Business* toni cade bambara s practices of liberation studies the works of bambara 1939 1995 an author documentary filmmaker social activist and professor thabiti lewis s analysis serves as a cultural biography examining the liberation impulses in bambara s writing which is concerned with practices that advance the material value of the african american experience and exploring the introspection between artist production and

social justice this is the first monograph that focuses on bambara s unique approach and important literary contribution to 1970s and 1980s african american literature it explores her unique nationalist feminist marxist and spiritualist ethos which cleared space for many innovations found in black women s fiction divided into five chapters lewis s study relies on bambara s voice from interviews and essays to craft a spiritual wholeness aesthetic a set of principles that comes out of her practices of liberation and entail family faith feeling and freedom that reveals her ability to interweave ethnic identity politics and community engagement and responsibility with the impetus of balancing black male and female identity influences and interactions within and outside the community one key feature of bambara s work is the concentration on women as cultural workers whereby her notion of spiritual wholeness upends what has become a scholarly distinction between feminism and black nationalism bambara s fiction situates her as a pivotal voice within the black arts movement and contemporary african american literature bambara is an understudied and important artistic voice whose aversion to playing it safe both personified and challenged the boundaries of black nationalism and feminism black people are my business is a wonderful addition to any reader s list especially those interested in african american literary and cultural studies

the extraordinary spirit of toni cade bambara lives on in savoring the salt a vibrant and appreciative recollection of the work and legacy of the multi talented african american writer teacher filmmaker and activist among the contributors who remember bambara reflect on her work and examine its meaning today are toni morrison amiri baraka pearl cleage ruby dee beverly guy sheftall nikki giovanni avery gordon audre lorde and sonia sanchez admiring readers have kept bambara s fiction in print since her first collection of stories gorilla my love was published in 1972 she continued to write and her audience and reputation continued to grow until her untimely death in 1995 savoring the salt includes excerpts from her published and unpublished writings along with interviews and photos of bambara the mix of poets and scholars novelists and critics political activists and filmmakers represented here testifies to the ongoing importance and enduring appeal of her work

edited and with a preface by toni morrison this posthumous collection of short stories essays and interviews offers lasting evidence of bambara s passion lyricism and tough critical intelligence included are tales of mothers and daughters rebels and seeresses community activists and aging gangbangers as well as essays on film and literature politics and race and on the difficulties and necessities of forging an identity as an artist activist and black woman it is a treasure trove not only for those familiar with bambara s work but for a new generation of readers who will recognize her contribution to contemporary american letters

represented are more than 180 women writers from the medieval to the contemporary period

whose works are featured in widely used literature anthologies and most course approaches for each author you will find concise lists of the best web sites as well as printed sources such as biographies and criticisms dictionaries and handbooks indexes and concordances journals and bibliographies book jacket

a community of black faith healers witness an event that will change their lives forever in this hard nosed wise funny novel los angeles times one of the atlantic s great american novels of the past 100 years set in a fictional city in the american south the novel also inhabits the nonlinear sacred space and sacred time of traditional african religion the new york times book review though they all united in their search for the healing properties of salt some of them are centered some are off balance some are frightened and some are daring from the men who live off welfare women to the mud mothers who carry their children in their hides the novel brilliantly explores the narcissistic aspect of despair and the tremendous responsibility that comes with physical spiritual and mental well being

contains biographical and critical essays on the work of important african american writers

this text questions the differences between female and male literature taking the view that the difference lies not within the writing itself but in the response to the writing the author writes that men have been in charge of according value to literature and that they have found the contributions of their own sex immeasurably superior the author presents evidence for a form of literary criticism which takes account of the exploitative practices of men

this classic thematic reader contains over a hundred reading selections an intriguing collection of photographs and art comprehensive treatment of critical reading and writing analyses of professional writing and expanded coverage of argument
