she was rejected by her fated mate now she s fighting for her pack s future and her unborn child s life isla blackthorn thought discovering she was pregnant would be the beginning of her happily ever after instead her fated mate ethan brutally rejected both her and their baby leaving her shattered and alone returning to her father s pack should have been a refuge but when the council demands she reveal her baby s father and submit to their control isla refuses she won t let anyone not the council not her former mate not even tradition dictate her future or her child s fate with her pregnancy progressing and enemies closing in isla does the unthinkable she builds her own faction warriors healers and wolves tired of authoritarian control rally to her vision of democratic governance and personal autonomy but she s not the only one gathering power ronan a calculating strategist with his own agenda arrives offering alliance but demanding submission as he builds a rival faction advocating hierarchical control the pack fractures into two opposing forces betrayals surface infiltrators strike coordinated attacks test isla s leadership while she s barely twenty weeks pregnant when the pack holds a vote between democracy and dictatorship everything isla has fought for hangs in the balance the

result a perfect tie that changes nothing and everything now the real battle begins because a divided pack can't survive what's coming can a rejected pregnant wolf unite her pack before her enemies destroy everything she's built including the child she's fighting to protect deputy chadleigh wilson former lone wolf and new to the raven pack was raised among humans in foster care he doesn't know anything about true mates but one smile from tameka jones and he knows he has to have her he'll do anything to claim her once she's his he'll do whatever it takes to keep her safe tameka jones is baffled by her response to the handsome deputy she came to refuge to simplify her life instead she finds herself surrounded by people who think they're werewolves of all things and now her dead grandmother is talking to her but chad's not the only person interested in tameka someone wants her land and is willing to do anything even kill to get it

he rejected her in front of the entire pack she survived anyway stephanie vale learned early that being an omega meant enduring in silence in blackridge pack hierarchy isn't just tradition it's survival so when martin ashborne the future alpha discovered she was his fated mate she dared to hope he swore he'd protect her he swore he'd choose her he lied under the full moon before the entire pack martin shattered their bond and called her a mistake humiliated and heartbroken stephanie fled into the night pregnant alone and determined never to need him again six years later she's built a life in the shadows raising their daughter in secret she's stronger now harder she doesn't believe in second chances or broken alphas seeking redemption but when blackridge comes hunting for the child she's hidden martin returns no longer the coward who destroyed her but a man willing to burn his world down to keep them safe he claims he's changed that he'll fight for her this time stephanie wants to hate him she wants to run but her daughter deserves a father and the bond she thought severed is pulling her back toward the one wolf who broke her completely can an alpha who chose duty over love prove he's worth a second chance or will the past destroy them both a scorching paranormal romance about survival redemption and the fierce love that rewrites destiny

his cherished luna tells the story of two lovers and mate who face the horrors of war and destiny they fight for their happiness and their pack will it be enough

the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government
