misa kasuga is a 34 year old single female office worker as she watches the younger staff at her company quit left and right to get married misa discovers that her boyfriend has been cheating on her and their relationship comes to an abrupt end

approaching her 40s misa worries about being labeled as unwanted leftovers at the company but she is then invited out for a drink with her handsome boss noguchi getting drunk she ends up impulsively proposing to him but this unexpectedly results in the two becoming close however there are rumors floating around that there is some reason behind why the 40 year old noguchi is still single

i m your friend but can you trust me a voice driven read in one night suspense thriller narrated by a compulsive liar perfect for fans of lisa jewell lucy foley and laura dave a good morning america march book club pick soon to be a hulu television series starring lindsay lohan utterly intriguing the pages turned themselves liz nugent this smart original twisty story had me gripped from the first to the last page i just had to keep reading liane moriarty the author nails it from the first sentence with its punchy chatty writing style nothing will stop this from becoming a runaway bestseller daily mail sloane caraway is a liar they are harmless lies she tells herself to make her own life a bit more interesting so when she sees a child in tears in a playground one afternoon she tells the girl s very attractive dad she s a nurse and helps him pull a bee sting from his daughter s foot with this lie and chance encounter sloane becomes the nanny for jay and violet lockhart who have everything a beautiful brownstone house a daughter in private nursery school and long summers on an idyllic island just off the coast of new york sloane wants to be just like them she wants their life and she s prepared to lie about almost everything to get it but sloane isn t the only one lying and soon she begins to realise that all that s picture perfect about her employers hides a much more dangerous truth more praise for count my lies utterly gripping and unputdownable amy tintera readers will find themselves racing through the final jaw dropping pages desperate to gather every last clue of this astonishing web of lies katy hays get ready for a rollercoaster of twists liv constantine sophie stava masterfully weaves suspense deception and heart into a brilliant twisty thriller that keeps you guessing until the very last page trisha sakhlecha readers are loving count my lies so addictive 5 star reader review jaw dropping 5 star reader review thrilling 5 star reader review i couldn t put it down 5 star reader review twisty and absorbing novel 5 star reader review just when you think the big twist has happened there s another and another and another 5 star reader review

x marks the spot is written from the point of view of the users of mathematics since the beginning mathematical concepts and

techniques such as arithmetic and geometry were created as tools with a particular purpose like counting sheep and measuring land areas understanding those purposes leads to a greater understanding of why mathematics developed as it did later mathematical concepts came from a process of abstracting and generalizing earlier mathematics this process of abstraction is very powerful but often comes at the price of intuition and understanding this book strives to give a guided tour of the development of various branches of mathematics and what they re used for that will give the reader this intuitive understanding features treats mathematical techniques as tools and areas of mathematics as the result of abstracting and generalizing earlier mathematical tools written in a relaxed conversational and occasionally humorous style making it easy to follow even when discussing esoterica unravels how mathematicians think demystifying math and connecting it to the ways non mathematicians think and connecting math to people s lives discusses how math education can be improved in order to prevent future generations from being turned off by math
