here s a perverse truth from new orleans to bangladesh women especially poor women of colour are suffering most from a crisis they have done nothing to cause yet where in environmental policy are the voices of elderly european women dying in heatwaves of african girls dropping out of school due to drought our highest profile climate activists are women and girls but at the top table it s men deciding the earth s future we re not all in it together but we could be instead of expecting individual women to save the planet what we need are visionary global climate policies that are gender inclusive and promote gender equality anne karpf shines a light on the radical ideas compelling research and tireless campaigns led by and for women around the world that have inspired her to hope her conversations with female activists show how we can fight back with strength in diversity and faced with the most urgent catastrophe of our times she offers a powerful vision a green new deal for women

condensing and interpreting an enormous body of social science research this book helps young women survive and thrive in their careers in a recent survey working women in the millennial generation aged from 22 to 35 reported persistent concerns of gender bias in the form of inequitable pay scales corporate cultures that favor men stereotypes few women among the top echelons of the organization and barriers to balancing work and family clearly women continue to face significant obstacles to success in the workplace despite the progress that has occurred in recent decades how women can make it work the science of success will help gen x y and z women who are recent high school or college grads in their first or second job or new moms weighing decisions about working achieve success and satisfaction in their careers the information in this book is also invaluable for managers and

counselors who work with young women and want to understand the issues they may be facing

in this document i share with you my recent discovery in taoist sources about how women lose their vital essence which is different to men and how they can save it to create an immortal embryo the christ seed an article is much more detailed than the video there is very important information for men too but it s only entry level thus directed at those who never heard of the information of saving christ seed

why doesn t anyone ever talk about this topic in this way it is the question on most women s minds when they first discover the instinctive evolutionary biological factors that prevent women from reaching the pinnacles of success in most male designed and therefore male dominated workplaces women graduate from universities law schools film schools and mba programs at the same rate as men but ten years later are woefully under represented in the upper ranks of their professions and it s not the mommy track that s holding them back it s that the behavior most highly rewarded in corporate environments not only goes against their instincts but also goes against what gets the best outcomes for the organization this book takes an honest unapologetic approach to examining how entrenched systems of networking negotiation and advancement work against female brains and how women can compete on a playing field designed by men to reward their own achievements it covers how to make decisions quickly and proceed confidently even with incomplete information announce that what you re about to say has value every time you speak up own your place in the hierarchy and stop doing the work favors that don t advance your career mentor sponsor and amplify other women and much more companies will also discover why they keep losing top female performers and what they must do to recruit reward and most importantly retain them this eye opening book tackles a difficult subject with candor humor and confidence and draws the roadmap for when each of those traits helps you get ahead in the workplace

by the bestselling author of what got you here won t get you there do you hesitate about putting forward ideas are you reluctant to claim credit for your achievements do you find it difficult to

get the support you need from your boss or the recognition you deserve from your colleagues if your answer to any of these is yes how women rise will help get you back on track inspiring and practical by turns it identifies 12 common habits that can prove an obstacle to future success and tells you how to overcome them in the process it points the way to a career that will satisfy your ambitions and help you make the difference you want to make in the world guidance on the habits you fall into that aren't helping you achieve the success you deserve it's fascinating sunday times how women rise is a great read lois p frankel author of nice girls don't get the corner office a great resource to discover the 12 habits that hold women back and how to overcome them forbes
