Jan Wiener makes a central distinction between working in the transference and working with the transference advocating a flexible approach that takes account of the different kinds of attachment patients can make to their therapists

also available in an open access full text edition at oaktrust library tamu edu handle 1969 1 85764 what we wish to know and most desire remains unknowable and lies beyond our grasp with these words James Hollis leads readers to consider the nature of our human need for meaning in life and for connection to a world less limiting than our own in the archetypal imagination Hollis offers a lyrical Jungian appreciation of the archetypal imagination he argues that without the human mind's ability to form energy

filled images that link us to worlds beyond our rational and emotional capacities we would have neither culture nor spirituality drawing upon the work of poets and philosophers hollis shows the importance of depth experience meaning and connection to an other world just as humans have instincts for biological survival and social interaction we have instincts for spiritual connection as well just as our physical and social needs seek satisfaction so the spiritual instincts of the human animal are expressed in images we form to evoke an emotional or spiritual response as in our dreams myths and religious traditions the author draws upon the work of the poet rainer maria rilke s duino elegies to elucidate the archetypal imagination in literary forms to underscore the importance of incarnating depth experience he also examines a series of paintings by nancy witt with the power of the archetypal imagination available to all of us we are invited to summon courage to take on the world anew to relinquish outmoded identities and defenses and to risk a radical re imagining of the larger possibilities of the world and of the self

available electronically in an open access full text edition from the texas a m university libraries digital repository at oaktrust library tamu edu handle 1969 1 146844 frank n mcmillan jr a country boy steeped in the traditional culture of rural texas was summoned to a life long quest for meaning by a dream lion he met in the night on his journey he followed the lead of the founder of analytical psychology carl jung and eventually established the world s first professorship to advance the study of that field mcmillan born and raised on a ranch near calvert was an aggie through and through with degrees in geology and petroleum engineering as an adult working near bay city texas he was lunching in a country caf  when by chance he met abstract expressionist painter forrest bess who was ecstatically waving a letter he had received from jung himself the artist s enthusiastic description of jung as a master psychologist soul doctor and healer led mcmillan to the jung center in houston where he began reading jung s collected works mcmillan frequently said jung saved my life finding jung frank n mcmillan jr a life in quest of the lion captures mcmillan s journey through the words of his own journals and through reflections by his son frank iii david rosen the holder of the first endowed mcmillan professorship at texas a m university adds insights to the book and the late sir laurens van der post whom the elder mcmillan met at the houston jung center in 1979 authored a foreword to the book before his death this is a story that sheds light on the inner workings of the self as well as the jungian understanding of the self in often lyrical language it gives the human background to a major undertaking in the dissemination of jungian scholarship and provides a personal account of a life lived in near mythic dimensions

available electronically in an open access full text edition from the texas a m university libraries digital repository at hdl handle net 1969 1 146845 child psychiatrist and psychoanalyst astrid berg states in her introduction that south africa is a microcosm it is a modern nation yet many of its inhabitants follow ancient traditions it is a nation with a colonial past marked by periods of violence yet it has managed to make a largely peaceful transition to majority rule it is a nation with eleven official languages embracing a great diversity of cultures and customs and yet it is also a land where public debate is vigorous free and ongoing in short south africa is a place where connections are being built and maintained both those among people with long kinship and common culture and those that reach across historical racial and class divides the western world is undeniably more advanced in certain areas of science and economic development berg states but in other areas it seems to lag behind and could learn from

places like south africa in her work with children and infants berg has become instrumental in building connections with and among her fellow south africans of all ethnicities based upon berg s 2010 fay lectures in analytical psychology at texas a m university connecting with south africa cultural communication and understanding is both a self reflective subjective account and a scientific discourse on human development and intercultural communication this volume will be warmly welcomed not only by psychoanalysts and those interested in jungian thought and practice but also by anyone seeking more effective ways to learn from other cultures connecting with south africa provides sensitive direction for those wishing to find healing and connection in a fractured society

also available in an open access full text edition at oaktrust library tamu edu handle 1969 1 86078 the old woman s daughter offers men and women alike a way to make sense of their lives and find more healing alternatives than offered by our present culture in gentle evocative imagery jungian analyst claire douglas invites readers to reconnect with the ancient tradition of the feminine the old woman symbolized by her own celtic grandmother after considering the dangers to individuals and the society of the masculine focused dualities of our own culture douglas describes an alternative that incorporates the feminine self within each of us man or woman douglas draws on myth and story her own experiences poetry the dreams of some of her patients and images available from tibetan buddhism to find archetypes that help us recognize our inheritance from the old woman she describes a form of therapy that emphasizes cherishment or bonding for the purpose of recovering our ties to the ancient feminine and she deftly incorporates her search for her own voice in shaping the book into an organic whole rising from douglas s lifelong interest in the psychology of the feminine this book shows how healing is related naturally to a motherline of attunement connection and cherishment
