with this final installation in this six volume set dr wiersbe has covered the entire bible

at last a reader friendly commentary that reads like letters from a good friend this new edition the second in the old testament series following the pentateuch covers all of the books of the major and minor prophets

annotations upon the five bookes of moses the booke of the psalmes and the song of songs or canticles vvherein the hebrevv vvords and sentences are compared with and explained by the ancient greeke and chaldee versions and other records and monuments of the hebrewes but chiefly by conference with the holy scriptures moses his words lawes and ordinances the sacrifices and other legall ceremonies heretofore commanded by god to the church of israel are explained

with an advertisement touching some objections made against the sinceritie of the hebrew text and allegation of the rabbines in these annotations as also tables directing unto such principall things as are observed in the annotations upon each severall booke by henry ainsworth

exalting jesus in hosea joel amos obadiah is part of the christ centered exposition commentary series edited by david platt daniel l akin and tony merida this commentary series takes a christ centered approach to expositing each book of the bible each chapter explains and applies key passages providing helpful outlines for study and teaching

the study of islamic philosophy has entered a new and exciting phase in the last few years both the received canon of islamic philosophers and the narrative of the course of islamic philosophy are in the process of being radically questioned and revised most twentieth century western scholarship on arabic or islamic philosophy has focused on the period from the ninth century to the twelfth it is a measure of the transformation that is currently underway in the field that unlike other reference works the oxford handbook has striven to give roughly equal weight to every century from the ninth to the twentieth the handbook is also unique in that its 30 chapters are work centered rather than person or theme centered in particular taking advantage of recent new editions and translations that have renewed interest and debate around the islamic philosophical canon the oxford handbook of islamic philosophy gives both the advanced student and active scholar in islamic philosophy theology and intellectual history a strong sense of what a work in islamic philosophy looks like and a deep view of the issues concepts and arguments that are at stake most importantly it provides an up to date portrait of contemporary scholarship on islamic philosophy

edited by david platt daniel l akin and tony merida this new commentary series projected to be 48 volumes takes a christ centered approach to expositing each book of the bible

in the spirit of cyril barber s classic work from the 1970s the minister s library and the author s 2017 book the pastor s library robert yost provides the same expert guidance now for a lay audience finally laypersons who desire to study the bible have an invaluable resource for the acquisition of research tools as well as general christian reading from general reference works such as bible atlases and concordances commentaries devotional works and theological studies to christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses overwhelmed by the proliferation of christian books on the shelves this handy guide is the book for you

there are thousands of excellent resources in the field of new testament studies but which tools are best for sermon preparation topical study research or classroom study in best bible books the authors review and recommend hundreds of books saving pastors students and scholars time effort and money glynn and burer examine commentaries on every book of the new testament describing their approach format and usability they then rank them on a scale of good better and best other chapters survey special studies for each new testament book as well as books in related disciplines such as historical background language resources and hermeneutics also included are helpful chapters on building a must have personal library and identifying books that comprise the ultimate new testament commentary collection this is an indispensable resource for any serious student of the bible
