though there are a number of well written works on chinese divination there are none that deal with the three sophisticated devices that were employed by the chinese astronomical bureau in the eleventh century and for hundreds of years thereafter chinese experts applied the methods associated with these devices to both weather forecasting and to the interpretation of human affairs hidden by a veil of secrecy these methods have always been relatively little known other than by their names the first work in any language to explore these three methods known as sanshi three cosmic boards this book sheds light on a topic which has been shrouded in mystery for centuries having been kept secret for many years by the chinese astronomical bureau

the written world of god is the first systematic overview of the science of letters ilm al huruf according to the great andalusian spiritual master scholar poet and philosopher ibn arabi d 1240 ibn arabi defined the science of letters as familiarity with the building blocks of the quranic revelation and everything in the world of nature letters are understood as visual and aural signs pointing to the mysteries of existence the present study examines how the universe came to be for what purpose it was created and the hierarchical structure it is endowed with it is an old story told anew through the 28 letters of the arabic alphabet their orthographic forms and the meanings attributed to them using ibn arabi s own diagrams although the story could be told through geometric figures or numbers letters were chosen on the basis of ibn arabi s doctrine that the meanings carried by the letters fully encompasses the whole of existence god and the universe

this book will provide you with the long lost key to the traditional western lunar mansions also once known as the manzils in the lunar mansions guide rediscovering the western lunar zodiac oscar hofman retrieves and regenerates this old and important technique which in western astrology at least has become almost obsolete his investigations were based on the critical evaluation of old texts and on his extensive knowledge of the fixed stars their natures and especially their mythological stories the result of his hard work is demonstrated here in copious case studies showing that the method is a wonderful tool suitable for use in natal electional and predictive astrology the lunar mansions guide makes the perfect companion to oscar s previous book fixed stars in the chart and will be welcomed by seasoned students as well as those who are new to the technique of lunar mansions
