since its publication in 1911 the secret garden a touchstone of children s literature has been adapted for plays and movies over a dozen times charming generations of readers the story centers around the healing power of friendship and the magic in the everyday burnett begins with a spoiled and unsympathetic heroine named mary lennox when mary is orphaned she is shipped from her home in colonial india to a drab country house in yorkshire as she learns to tend the garden on the estate mary forms her first true friendships when they bring a secret garden back to life mary and her friends are also transformed

the secret garden ten year old mary comes to live in a lonely house on the yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden a little princess sara crewe a pupil at miss minchin s london school is left in poverty when her father dies but is later rescued by a mysterious benefactor

an elderly jewish widow revisits her past as a world war ii pilot with the help of a teenage girl in this captivating debut novel estranged from her family since just after world war ii mary browning has spent her entire adult life hiding from her past now eighty seven years old and a widow she is still haunted by secrets and fading memories of the family she left behind her one

outlet is the writing group she presided over for a decade though she has never written a word herself when a new member walks in a fifteen year old girl who reminds her so much of her beloved sister Sarah Mary is certain fate delivered Elyse Strickler to her for a reason Mary hires the serious eyed teenager to type her story about a daring female pilot who left home for the sky and gambled everything for her dreams including her own identity as they begin to unravel the web of Mary's past Mary and Elyse form an unlikely friendship together they discover it's never too late for second chances and that sometimes forgiveness is all it takes for life to take flight in the most unexpected ways

Honor book for the 2005 Book Award given by the Children's Literature Association the popularity of the Harry Potter books among adults and the critical acclaim these young adult fantasies have received may seem like a novel literary phenomenon in the nineteenth century however readers considered both Tom Sawyer and Huckleberry Finn as works of literature equally for children and adults only later was the former relegated to the category of boys' books while the latter even as it was canonized came frequently to be regarded as unsuitable for young readers adults women and men wept over *Little Women* and America's most prestigious literary journals regularly reviewed books written for both children and their parents this egalitarian approach to children's literature changed with the emergence of literary studies as a scholarly discipline at the turn of the twentieth century academics considered children's books an inferior literature and beneath serious consideration in *Kiddie Lit* Beverly Lyon Clark explores the marginalization of children's literature in America and its recent possible reintegration both within the academy and by the mainstream critical establishment tracing the reception of works by Mark Twain Louisa May Alcott Lewis Carroll Frances Hodgson Burnett L. Frank Baum Walt Disney and J. K. Rowling Clark reveals fundamental shifts in the assessment of the literary worth of books beloved by both children and adults whether written for boys or girls while uncovering the institutional underpinnings of this transition Clark also attributes it to changing American attitudes toward childhood itself a cultural resistance to the intrinsic value of childhood expressed through sentimentality condescension and moralizing Clark's engaging and enlightening study of the critical disregard for children's books since the end of the nineteenth century which draws on recent scholarship in gender cultural and literary studies offers provocative new insights into the history of both children's literature and American literature in general and forcefully argues that the books our children read and love demand greater respect

When orphaned Mary Lennox lonely and sad comes to live at her uncle's great house on the Yorkshire moors she finds it full of secrets at night she hears the sound of crying down one of the long corridors outside she meets Dickon a magical boy who can charm and talk to animals then one day with the help of a friendly robin Mary discovers the most mysterious wonder of all a secret garden walled and locked which has been completely forgotten for years and years is everything in the garden dead or can Mary bring it back to life

more than twenty essays and speeches show paterson s passion for reading her ideas about writing her spiritual faith and her conviction that the imagination must be nourished
