the new york times bestseller and sunday times observer and bbc history book of the year finalist for the orwell prize for political writing 2022 pacey and potentially revolutionary sunday times iconoclastic and irreverent an exhilarating read the guardian for generations our remote ancestors have been cast as primitive and childlike either free and equal or thuggish and warlike civilization we are told could be achieved

only by sacrificing those original freedoms or alternatively by taming our baser instincts david graeber and david wengrow show how such theories first emerged in the eighteenth century as a reaction to indigenous critiques of european society and why they are wrong in doing so they overturn our view of human history including the origins of farming property cities democracy slavery and civilization itself drawing on path breaking research in archaeology and anthropology the authors show how history becomes a far more interesting place once we begin to see what s really there if humans did not spend 95 per cent of their evolutionary past in tiny bands of hunter gatherers what were they doing all that time if agriculture and cities did not mean a plunge into hierarchy and domination then what kinds of social and economic organization did they lead to the answers are often unexpected and suggest that the course of history may be less set in stone and more full of playful possibilities than we tend to assume the dawn of everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom new ways of organizing society this is a monumental book of formidable intellectual range animated by curiosity moral vision and faith in the power of direct action this is not a book this is an intellectual feast nassim nicholas taleb the most profound and exciting book i ve read in thirty years robin d g kelley

revised and expanded third edition cover

the study of early modern history has exploded in the last several decades many new historical sources have been identified and examined and a host of exciting studies employing a wide range of innovative methodologies have been produced scholars of jewish history have begun to ask to what extent the early modern period had a jewish dimension they have also begun to reconsider the nature of traditional periodization of jewish history jews in the early modern world attempts to synthesize some of this exciting new research and present it in a broader comparative and global perspective jews in the early modern world argues that the years between 1400 and 1700 represented a discrete cohesive and important period in jewish history given the significant demographic shifts that began just before and ended just after this period remarkable changes occurred in the history and experiences of jews around the world this volume begins with a broad context of jewish experiences under medieval christianity and islam it then turns to the early modern period first providing an overview of jewish demography and settlement next the nature and structure of jewish community and social structures in the early modern period are explored in the final two chapters this book presents a broad overview of jewish religious and cultural life and jewish relations with non jews throughout the early modern period jews in the early modern world will serve as a useful resource for a wide range of courses in medieval and early modern history jewish history and world history it includes a bibliography of english language works cited a wealth of suggestions for further reading a glossary of terms a timeline of key events and numerous maps and images

this book provides a comprehensive and accessible overview of the jewish experience

from its ancient origins to its impact on contemporary popular culture

since the premiere of his play *Fo* in 1979 the chinese american playwright david henry hwang has made a significant impact in the u s and beyond the theatre of david henry hwang provides an in depth study of his plays and other works in theatre beginning with his trilogy of chinese america esther kim lee traces all major phases of his playwriting career utilizing historical and dramaturgical analysis she argues that hwang has developed a unique style of meta theatricality and irony in writing plays that are both politically charged and commercially viable the book also features three essays written by scholars of asian american theatre and a comprehensive list of primary and secondary sources on his oeuvre this comprehensive study of hwang s work follows his career both chronologically and thematically the first chapter analyzes hwang s early plays trilogy of chinese america in which he explores issues of identity and cultural assimilation particular to chinese americans chapter two looks at four plays characterised as beyond chinese america which examines hwang s less known plays chapter three focuses on *M. Butterfly* which received the tony award for best play in 1988 in chapter four lee explores hwang s development as a playwright during the decade of the 1990s with a focus on identity politics and multiculturalism chapter five examines hwang s playwriting style in depth with a discussion of hwang s more recent plays such as *Yellow Face* and *Chinglish* the sixth chapter features three essays written by leading scholars in asian american theatre josephine lee on *Flower Drum Song* dan bacalzo on *Golden Child* and daphne lei on *Chinglish* the final section provides a comprehensive compilation of sources a chronology a bibliography of hwang s works reviews and critical sources

the decades of modern american playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political events while a chapter on the theatre of the decade offers a wide ranging and thorough survey of theatres companies dramatists new movements and developments in response to the economic and political conditions of the day the work of the four most prominent playwrights from the decade receives in depth analysis and re evaluation by a team of experts together with commentary on their subsequent work and legacy a final section brings together original documents such as interviews with the playwrights and with directors drafts of play scenes and other previously unpublished material the major playwrights and their plays to receive in depth coverage in this volume include david mamet *Edmond* 1982 glengarry glen ross 1984 *Speed the Plow* 1988 and oleanna 1992 david henry hwang *Family Devotions* 1981 *The Sound of a Voice* 1983 and *M. Butterfly* 1988 maria irene fornès *The Danube* 1982 *Mud* 1983 and *The Conduct of Life* 1985 august wilson *Ma Rainey s Black Bottom* 1984 joe turner s *Come and Gone* 1984 and *Fences* 1987

a book that challenges the context of australian history and the history of the rest of the world this book questions the popular ideas about society and re examines history ranging from cortes in the 16th century to hitler in the 20th century

the common view of king david is of a young boy full of courage piety and humility who grew to be a goodly king not so writes gary greenberg in this stunning history of the world s most beloved monarch in actuality david arranged the murder of saul the popular first king of israel had saul s seven sons hanged did not slay goliath and had an affair with bathsheba impregnated her and arranged the murder of her husband finally david allied himself with the philistines the enemies of israel in sum he was deceitful corrupt a tyrant and a murderer drawing on the latest historical research as well as detailed biblical analysis this book represents a groundbreaking new look at one of our culture s most revered figures greenberg takes a fresh look at the biblical stories of david unraveling the written skeins and hidden truths that weave through the biblical texts

dwelling along the mississippi river the tennessee state line the tenn tom waterway and the gulf of mexico are a trove of characters with fascinating lives and histories in rowdy boundaries true mississippi tales from natchez to noxubee author james l robertson weaves these stories to reveal a tapestry of mississippi s border counties and the towns and people that occupy them from his unique vantage as a former mississippi supreme court justice and seasoned lawyer he documents the legal geographical and biographical tales revealed during his journeys along and within the state lines the volume features the true stories of musicians authors portrait painters and football players as well as political activists educators politicians and judges also featured are tributes to noteworthy newspaper editors and columnists for their many contributions over the years robertson covers pivotal moments in mississippi history including the mississippi married women s property act of 1839 the development of chinese culture in the mississippi delta and 1964 freedom summer he does not shy away from the tragedies of the past discussing lynchings and murders that still haunt the state today from ghost towns in jefferson county to the slugburger festival in corinth stopping en route for a mint julep in columbus robertson puts a human face on mississippi history and tells a good yarn along the way

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly

all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant émigrés were to shaping our republic in its formative years

this book is in anyway to replace the original book the dawn of everything by david graeber david wengrow but rather a more precise analysis of the contents of the book this book touches on aspects of the book that a reader might find valid and well contextualized for a quick read in this book you will get the author s analysis of how life used to be in the golden age and the paleolithic era and how that relates to today in sense of primal decisions and nature habits towards a way of living the author also touches on where certain behavior come from the hierarchical organization of the modern politics policies and societies and how to put this knowledge into practical and analytical decisions in modern times social evolution and which transpired from agricultural development to city infrastructure he promoting of democracy consequences of inequality and the possibilities in the future this book is a must read for anyone that is fascinated about how the past influences today the opinions of the authors of the main book and the application of these newly accrued knowledge into real life in current times
