while no one thing can entirely explain the rise of the church of jesus christ of latter day saints  
the historical influence of freemasonry on this religious tradition cannot be refuted those who  
study mormonism have been aware of the impact that freemasonry had on the founding prophet  
joseph smith during the nauvoo period but his involvement in freemasonry was arguably earlier  
and broader than many modern historians have admitted the fact that the most obvious vestiges  
of freemasonry are evident only in the more esoteric aspects of the mormon faith has made it  
difficult to recognize let alone fully grasp the relevant issues even those with both mormon and  
masonic experience may not be versed in the nineteenth century versions of masonry s rituals  
legends and practices without this specialized background it is easy to miss the masonic  
significance of numerous early mormon ordinances scripture and doctrines method infinite  
freemasonry and the mormon restoration offers a fresh perspective on the masonic thread  
present in mormonism from its earliest days smith s firsthand knowledge of and experience with  
both masonry and anti masonic currents contributed to the theology structure culture tradition
