a major part of social work education is the agency placement and its importance as a learning opportunity has been widely recognised in recent years this book plays a central role in the preparation of social work students for effective practice

by examining ideas about learning that transcend typical boundaries such as school workplace or home school this book emphasises the socially negotiated and embedded nature of meaning making and how learners learn to use the cognitive tools of their cultural community through participation in social activity the editors argue that this is the means by which individual agency is extended and learners identities as forms of competency are transformed the book locates sociocultural understanding in a wide theoretical frame and demonstrates its implications for learning and assessment generally covering a range of educational and workplace settings the contributions challenge ways of understanding learning and thinking about practice both teaching and assessment drawing on the international literature this book is essential reading for students of curriculum learning and assesment in all sectors from pre primary to further and higher education it is suitable as a core text for masters and taught doctorate programmes it will be of interest to a range of professionals involved with curriculum learning and the practice of teaching and assessment it is also relevant to those in work based and professional education and training and informal educational settings a unique collection in a field that is underrepresented it will also be of interest to an acadmeic audience

this text examines second language pedagogy from two critical fields of literature psycholinguistics and socio cultural offering a fresh perspective on interactive content based language teaching and learning unique in its kind this highly practical text offers more methodological approaches to teaching in esl settings than any other book on the market making it a perfect match for undergraduate pre service teachers who are learning how to teach esl students in their classrooms novice teachers will have the opportunity to interact with the text reflect and consult with colleagues partners and classmates by being able to write in the text revisit those responses and view video clips on the companion website
