a question raised by many individuals today how safe is our food consumed today food safety has become a hot topic and an important public issue due to the increasingly widespread nature of foodborne illnesses in both developed and developing countries as food is biological in nature and supplies consumers with nutrients it is also equally capable of supporting the growth of microorganisms from the environmental sources a precise method of monitoring and detecting of foodborne pathogens including salmonella sp vibrio sp listeria monocytogenes campylobacter and norovirus is needed to prevent and control human foodborne infections clinical treatments of infection caused by foodborne pathogens are becoming tougher with the increase number of multidrug resistant pathogens in the environment this situation creates a huge healthcare burden e g prolonged treatment for infections decrease in the efficacy of antibiotic delay in treatment due to unavailability of new antibiotics and increased number of deaths as such continuous investigation of the foodborne pathogens is needed to pave the way for a deeper understanding on the foodborne diseases and to improve disease prevention management and treatments

book about leading executive conversations

this book is the first executive presence guide specifically designed for diverse professionals who want to lead authentically while embracing their full selves it demystifies the often ambiguous concept of executive presence ep offering a clear actionable roadmap for professionals at every stage of their leadership journey whether you re navigating early career challenges or stepping into senior to c suite leadership positions this book equips you with the tools to lead with confidence and grace what sets this book apart is its inclusive and visual approach to executive presence unlike traditional leadership guides it addresses the needs of a diverse workforce and explains ep through accessible language and memorable illustrations it also tackles modern leadership challenges such as building presence in virtual environments and on social media while incorporating expert insights from fields like artificial intelligence personal branding and visual communication the structured inform equip empower framework ensures each chapter delivers practical strategies reflective exercises and real world applications written by an executive presence subject matter expert sme and a world renowned opera singer who together have built and taught professionals around the world this book takes the most empowering view of ep to provide readers with tools they can immediately apply this book is ideal for a wide range of readers from early career professionals and business students to high potential employees and seasoned executives sales professionals looking to enhance their influence and anyone seeking to elevate how others perceive their leadership will also find immense value no matter

your background or career stage this guide empowers you to develop a strong authentic executive presence in today's dynamic business landscape

executive presence matters when 400 CEOs were asked how they choose next level leaders 89 of them said they looked for one critical trait executive presence this quality is crucial for professional success in executive presence joel garfinkle shows you how to step into your power convey confidence and lead with conviction as you rise in your organization your executive presence must keep pace with your growth the higher the stakes the more you need that power and presence using extensive original research gleaned from studying executive presence for more than 15 years joel has uncovered the 9 essential qualities of executive presence his 3x3 executive presence model doesn't just explain executive presence for the modern leader it walks you step by step through exercises and strategies for cultivating each essential element methodically explaining how to master each one he equips you with a personalized plan for growth demystifies what executive presence is and debunks misconceptions that hold you back this book provides the blueprint for how to master 3 key executive presence domains 1 radiate gravitas 2 act with authority 3 express yourself fully in executive presence you'll learn how to radiate the commanding self-assured presence of a high level leader bring power conviction and a strong point of view to your presentations move from passivity and self-doubt to self-assurance and bold decision making exude a professional magnetism that influences others at every level cultivate and leverage charisma in all your interactions communicate in a clear crisp and concise way maybe you've come across the term executive presence in HBR but you couldn't adequately define it let alone begin to grow it this book will change that as you delve into the lessons from executive presence you'll join top ranking organizational leaders who know how to influence others and drive extraordinary results whether you're a rising star or CEO executive presence will guide you in leading a high performing team moving from passivity and self-doubt to self-assurance and bold decision making you'll become the high impact leader who propels your organization forward executive presence is for women people of color and other employees from marginalized groups who are too often underappreciated which causes companies to miss out on their full range of talent by cultivating executive presence women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve if you're in one of these demographics growing your executive presence will allow you to leap over the barriers you may encounter in your career what's the key differentiator between this executive presence book and its competitors sylvia ann hewlett's executive presence the missing link between merit and success paul aldo's understanding executive presence debra a benton's executive presence for the modern leader and harrison monarth's executive presence second edition the 3x3 executive presence model provides a clear structured blueprint for developing the most important facets of executive presence learn about the 3 domains gravitas authority and expression that act as the foundational pillars holding up the 9 executive presence competencies

sloan group international's executive presence influence program™ elevates the ability of leaders to impact and influence others in the organization specifically senior leadership this comprehensive multitouchpoint program utilizes a simple yet impactful 4 part model somatic physical presence one's ability to command their physical

posture gestures verbal pace and tone mental presence one's ability to stay mentally clear focused and on task with what they are saying emotional presence one's ability to be aware of self and others and to engage others emotionally through appreciation and acknowledgment charismatic presence one's ability to positively impact others just by being there these four areas of executive presence provide a simple yet powerful and practical model for readers to identify which aspects of their presence need more focus additionally the model helps leaders diagnose which competencies are needed most in a high stakes influence situation whether it is to get results from people you're working with get a promotion or to deliver powerful messages that engage participation and presence in others

please note this is a companion version not the original book sample book insights 1 executive presence is not a measure of performance but rather of image it is a combination of qualities that telegraphs that you have what it takes to be in charge or deserve to be 2 the importance of nonmusical factors is often overlooked by musicians the way a musician presents themselves onstage is as important as their musical skills 3 the world of music illustrates the importance of image in the workplace the best predictor of success on the competition circuit was whether a pianist could communicate passion through body language and facial expression 4 the three pillars of ep are how you act how you speak and how you look they are not equally important but they are all important gravitas is the core characteristic signaling that you know your stuff cold is more important than either communication or appearance

image and style consultant david a mcknight offers in this book theories tips and details on assessing and improving style and developing one's executive presence damstyle is an iconic multi dimensional image and lifestyle consulting operation in new york city serving as a one stop enterprise for individual and organizational image needs

performance hard work and sponsors get top talent recognized and promoted but leadership potential isn't enough to lever men and women into the executive suite leadership roles are given to those who also look and act the part top jobs often elude women because they lack executive presence or underestimate its importance executive presence depends on getting three things right appearance communication and gravitas this comes from the abstract on page 1

what qualities make a good executive poise thoughtfulness decisiveness empathy and rapport to name a few but there's a certain something that sets top notch executives apart that can be hard to define that intangible quality that inspires people to follow their lead their executive presence or ep in this book the author reveals why you can have all the right stuff but without executive presence ep you will never be considered leadership material the good news is it doesn't have to be that way this strategic leadership guide delivers practical advice such as the 6 degrees of executive presence and how they improve your status why appearance matters less than you think when fake it till you make it is helpful and when it isn't a blueprint for being seen by everyone as a leader

this book equips executives to give compelling and clear presentations the kind of presentations that drive corporate change and innovation and make reputations and it's all down to presence presence works at three levels what you say how you use your body and your mindset level 1 discover how to transform ideas and business messages with a simple 5 step tool level 2 learn how to leverage your physical presence when speaking including your style body language and vocal presence level 3 speak with confidence and resilience by developing your mindset with four powerful tools to transform the way you think as you prepare to present jacqui harper writes in a warm authoritative style her rich blend of tools tips and expert advice will help you become a consistently outstanding communicator

mastering executive presence career advancing communication and presentation skills is packed with best practices real world examples practical exercises motivating quotes and thought provoking reflections
