the first mention of the word trokosi can be traced to the work of a bellis in 1890 writing on the topic of priesthood in the ewe speaking people of the gold coast as far back as the early 1900s a protest letter was submitted by a native of the gold coast to the colonial secretary of native affairs calling for an end to a practice that marginalized dehumanized and treated young virgins as slaves consecrated to the gods unfortunately in 2009 the fight still continues the authors bring light to an issue greatly in need of critical scrutiny this book poignantly elucidates firsthand accounts of the voices of the trokosi victims the geographical spread of the practice interrogates the social context in which the practice thrives traces the traveling journeys of the victims discusses the liberation efforts and rehabilitation programs examines the role of civil society in confronting the system and closes with the tensions within the discourses that support or reject the trokosi system

this book explores the kinds of christian service or diaconia that develop in non institutionalized practices for supporting survivors of indigenous ritual servitude or trokosi in africa drawing on empirical research from ghana it examines the possibilities of freedom equality and dignity for liberated trokosi and the manner in which these women s experiences constitute a repudiation of dominant patriarchal family systems with close attention to the work of indigenous parachurches which function outside of institutionalized churches in challenging the contemporary practice of ritual slavery and offering its survivors a lived space in which they need not remain hidden as they seek restoration and integration into wider society ritual servitudes and christian social practices in ghana will appeal to scholars of sociology theology and religion with interests in gender contemporary ministries and african religion

this book aims to reconstruct the religious history of the anlo ewe peoples from the 1850s

this book documents hundreds of customs and traditions practiced in countries outside of the united states showcasing the diversity of birth coming of age and death celebrations worldwide from the beginning of our lives to the end all of humanity celebrates life s milestones through traditions and unique customs in the united states we have specific events like baby showers rites of passage such as bat and bar mitzvahs and sweet 16 birthday parties and sober end of life traditions like obituaries and funeral services that honor those who have died but what kinds of customs and traditions are practiced in other countries how do people in other cultures welcome babies prepare to enter into adulthood and commemorate the end of the lives of loved ones this three volume encyclopedia covers more than 300 birth life and death customs with the books content organized chronologically by life stage volume 1 focuses on birth and childhood customs volume 2 documents adolescent and early adulthood customs and volume 3 looks at aging and death customs the entries in the first volume examine pre birth traditions such as baby showers and other gift giving events and post birth

customs such as naming ceremonies child rearing practices and traditions performed to ward off evil or promote good health the second volume contains information about rites of passage as children become adults including indigenous initiations marriage customs and religious ceremonies the final volume concludes with coverage on customs associated with aging and death such as retirement celebrations elaborate funeral processions and the creation of fantasy coffins the set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government accepted names wedding vows and maternity paternity leave regulations

bioethics urges us to question and debate fundamental moral issues that arise in health related sciences however as a result of western dominance and globalization bioethical thinking and practice has inevitably been shaped and defined by western theories with recent discussions centering on the relationship between culture and bioethics it is important to consider how and to what extent can bioethics reflect and accommodate non western values and beliefs debatably many scholars working in the field of african bioethics seek to construct a bioethical practice that is grounded in indigenous african values yet how relevant are ancient african cultural norms to the lives and realities of the 21st century sub saharan africans this edited volume explores bioethics in africa from pluralistic and inter cultural perspectives the selected papers offer diverse theoretical and practical perspectives on the bioethical challenges that are common and specific to the lives of sub sahara africans the contributors define bioethics broadly beyond ethical issues relating to biomedical and biotechnological science to include applied ethics that concern all aspects of life multidisciplinary in approach the contributions to this book consider bioethics in relation to philosophy social work psychiatry african studies religious studies psychology and medicine the broad scope of this volume means it will be of interest to those studying and working in bioethics as well as the fields mentioned above

the book is an essential resource for those interested in investigating the lives histories and futures of indigenous peoples around the world perfect for readers looking to learn more about cultural groups around the world this four volume work examines approximately 400 indigenous groups globally the encyclopedia investigates the history social structure and culture of peoples from all corners of the world including their role in the world their politics and their customs and traditions alphabetically arranged entries focus on groups living in all world regions some of which are well known with large populations and others that are lesser known with only a handful of surviving members each entry includes sections on the group s geography and environment history and politics society culture and tradition access to health care and education and threats to survival each entry concludes with see also cross references and a list of further reading resources to guide readers in their research also included in the encyclopedia are native voices inset boxes allowing readers a glimpse into the daily lives of members of these indigenous groups as well as an appendix featuring the united nations declaration on the rights of indigenous peoples

a players guide to the sabbat introduced this deadly sect the storytellers handbook to the sabbat takes the kid gloves off revealing

the truth about this horrendous organization from its ghoulish families to its inner politics to its demonic ties everything a storyteller needs to know about the sabbat is included within these pages
