The Oxford Handbook of the Georgian Theatre 1737 1832 provides a comprehensive guide to theatre of the Georgian era across the range of dramatic forms

In Catholicism and the Renewal of American Democracy George Weigel clearly describes the erosion of the center in the American democracy and the disjointed and divisive politics of our contemporary situation throughout the book one finds a hope that despite the apparent decline of American democracy the time is right for Catholicism to be viewed as a source of insight virtue and leadership Weigel is faithful to his religious tradition yet he is willing to see in the present chaos an opportunity for the constructive transformation of both the Catholic tradition and American democracy he urges believers to seize this Catholic moment⁵⁵ and take an active role in society from
