this book is about a deep and superficial exploration of the contents of consciousness individual and collectively together we will discover the many impacts that mental and social accumulations have upon the human mind we will explore the differences in memorization and intelligence pleasure and happiness duality together we will explore the possibility of freeing ourselves from our mental accumulations freeing ourselves from all psychological authority i m not talking about the laws of the land freedom without intelligence is a lunatic looking for a place to happen together we will explore what is intrinsic to the mind and what is artificial together we will explore reality which is equally true to us all when we live from beliefs we distort reality that reality that s equally true to us all

no sooner do you decide an aim and commit to it than the directions of your thoughts words and deeds all unite you will soon begin to

realize your potential and express it a total transformation takes place this book will help those who wish for such a transformation for those who already have an aim this book will help them to achieve it seek self development to self realization through this book this book is a mirror it is a mirror that you hold in front of yourself it is knowing oneself at a deeper level through experience the book holds a mirror against your growth in all the five planes of life physical mental social financial and spiritual as you dive deeper you encounter the leader within you the communicator within you the one that shall transform all the five aspects of your life

self discovery can be an elusive process some people never fully express their true personalities because of obstacles from the past others float through life with a set of defense mechanisms that seem adequate until something happens to shake that pattern in her groundbreaking work pat wyman combines three psychological techniques to create a successful method of personal integration the foundation of the work is a comparative exploration of how the mbti instrument the enneagram and inner child healing can assist in self discovery in the end it is a strikingly honest and poignant study of how a remarkable group of people dealt with tragedy and abuse and how they achieved healing through intense introspection and the use of these three modalities courageous clients share their stories poems artwork and letters which are interwoven throughout the author s in depth explanation of how to guide client s through this process

pritchard provides a deliberate and convincing argument for a starting point for the discussion of moral development on in which self regard and empathy provide equally essential groundings for individual morality drawing essential elements from the work of reid strawson rawls kohlberg and gilligan he builds a comprehensive framework for tracing moral development from childhood one that allows human morality to be grounded in both reason and emotion and that recognizes the importance to morality of justice and rights as well as caring and responsibility
