a revelatory biography of australia s longest serving prime minister robert menzies claimed the prime ministership in 1939 and led the nation during the early years of the war but resigned two years later when he lost the confidence of his party his political career seemed over and yet he staged one of the great comebacks to forge a new political party devise a new governing philosophy and craft a winning electoral approach that as to make him australia s longest serving prime minister the lessons menzies learned and the way he applied them made him a model that every liberal leader since has looked to for inspiration but debate over menzies life and legacy has never settled who was robert menzies what did

he stand for what did he achieve troy bramston has not only researched the official record and published accounts but has also interviewed members of menzies family and his former advisers and ministers he has also been given exclusive access to family letters as well as to a series of interviews that menzies gave that have never been revealed before they are a major historical find in which menzies talks about his life reflects on political events and personalities offers political lessons and candidly assesses his successors now with a new preface robert menzies is the first biography in 20 years of the liberal icon and it contains important contemporary lessons for those who want to understand and master the art and science of politics

collects and annotates published and broadcast interviews with salman rushdie to deliver his comments about his art and harrowed life the state of politics and the creative process

exposing the depth of two major artists philosophies creative visions stylistic tendencies and contributions to their craft this unprecedented comparative analysis synthesizes biographical material critical interpretation and selected exemplars of the writers work smith reinterprets their work in a new and fascinating light presenting dylan as a songwriter of enigmatic wordplay and springsteen as the melodramatic narrator of a specific community s life struggles both songwriters have had unique responses to the celebrity singer songwriter tradition begun by woody guthrie smith reveals the power of authorship and the creative drive necessary to negotiate an artistic vision through the complicated mechanisms of the world of commercial art both have discovered their own means of traveling this difficult terrain and smith probes their lives and work to reveal the myriad ways in which two distinct equally significant artists have learned from and contributed to an ongoing and important american musical tradition
